3.2 License Obligations.

3.2.1 You acknowledge, agree, and warrant that: (i) You will be responsible for Your and Your Users' activity and compliance with this Agreement, and if You become aware of any violation, You will immediately terminate the offending party's access to the Software and Documentation and notify SolarWinds; (ii) You are legally able to process Your Data and provide Your Data to SolarWinds, including obtaining appropriate consents or rights for such processing, as outlined further herein and have the right to access and use Your infrastructure, including any system or network, to obtain or provide the Software and will be solely responsible for the accuracy, security, quality, integrity, and legality of the same; (iii) You will keep your registration information, billing information, passwords and technical data accurate, complete, secure and current; and (iv) You shall use the Software and Documentation solely in a manner that complies with all applicable laws in the jurisdictions in which You use the Software and Documentation, including, but not limited to, applicable local, state, federal, and international laws, including intellectual property and privacy and security laws.

You specifically agree not to export, re-export, or transfer the Software or Documentation (i) to any country to which the U.S. has embargoed or restricted the export of goods or services, or to any national of any such country, wherever located, who intends to transmit or transport the products back to such country; (ii) to any person or entity who You know or have reason to know will utilize the Software or portion thereof in the design, development, production or use of nuclear, chemical or biological materials, facilities, or weapons; or (iii) to any person or entity who has been prohibited from participating in U.S. export transactions by any federal agency of the U.S. government.
