Customer will reasonably cooperate with Acunetix and any third-party auditor.

6. Term and Termination.

6.1 *Term.* Subject to the termination rights as set forth in this Agreement, the term of this Agreement will commence on the Effective Date and will continue for as long as the Acunetix Solution is being provided to Customer under this Agreement. The Subscription Term may be renewed for successive terms equal in duration to the initial Subscription Term by exercising an option, or by both parties executing a new purchase order or agreement in writing.

6.2 *Termination.* When the End User is an instrumentality of the U.S., recourse against the United States for any alleged breach of this Agreement must be brought as a dispute under the contract Disputes Clause (Contract Disputes Act). Acunetix represents and warrants to Customer that the Acunetix Solution, when used for its intended purpose and in accordance with Acunetix's instructions, the Acunetix Solution will perform substantially in conformance with the Documentation for a period of thirty (30) calendar days from the date Customer is first permitted to access and use the Acunetix Solution. Customer's sole and exclusive remedy, and Acunetix's sole and exclusive liability, for any breach of this warranty will be, at Acunetix's sole discretion, to either remedy the defect or refund the applicable fees paid by Customer for the Acunetix Solution provided that Customer promptly notifies Acunetix in writing of any alleged breach of this warranty within such thirty (0) calendar day period. This warranty is null and void to the extent the Acunetix Solution: (i) fails to conform with this warranty as a result of its use with any third-party hardware or software; or (ii) is used for an unintended purpose, is used other than in accordance with its published documentation or specifications, or is otherwise used in breach of this Agreement. OTHER THAN THE WARRANTY ABOVE, AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, ACUNETIX AND ITS SUPPLIERS AND LICENSORS MAKE NO OTHER EXPRESS WARRANTIES UNDER THIS AGREEMENT AND DISCLAIM ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND

ANY WARRANTY ARISING BY STATUTE, OPERATION OF LAW, COURSE OF DEALING OR PERFORMANCE, OR USAGE OF TRADE. ACUNETIX AND ITS SUPPLIERS AND LICENSORS DO NOT WARRANT THAT THE SOFTWARE WILL OPERATE UNINTERRUPTED, BE FREE FROM DEFECTS, OR MEET CUSTOMER'S REQUIREMENTS. THIS CLAUSE DOES NOT LIMIT OR DISCLAIM ANY OF THE WARRANTIES SPECIFIED IN THE GSA SCHEDULE 70 CONTRACT UNDER FAR 52.212-4(O). IN THE EVENT OF A BREACH OF WARRANTY, THE U.S. GOVERNMENT RESERVES ALL RIGHTS AND REMEDIES UNDER THE CONTRACT, THE FEDERAL ACQUISITION REGULATIONS, AND THE CONTRACT DISPUTES ACT, 41 U.S.C. 7101-7109.

8. Indemnification.

8.1 *Indemnification by Acunetix.* Acunetix has the right to indemnify, intervene to defend, and hold Customer harmless against any third party claim that the Software or Services infringe or misappropriate any Intellectual Property Rights of a third party held under the laws of the United States or the European Economic Area provided that Customer promptly notifies Acunetix of any and all threats, claims, and proceedings related thereto and gives reasonable assistance and the opportunity for Acunetix to assume control over defense and settlement. Nothing contained herein shall be construed in derogation of the U.S. Department of Justice's right to defend any claim or action brought against the U.S., pursuant to its jurisdictional statute 28 U.S.C. §516. Acunetix will not be responsible for any settlement it does not approve, provided that any such approval will not be unreasonably withheld. The foregoing obligations do not apply with respect to: (i) the Acunetix Solution or portions or components thereof (a) not created by Acunetix; (b) that are modified after delivery by Acunetix; (c) combined with other products, processes, or materials where the alleged infringement relates to such combination; (d) where Customer continues allegedly infringing activity after being notified thereof or after being informed of modifications that would have avoided the alleged infringement; (e) where Customer's use of such Acunetix Solution is not strictly in accordance with the Agreement and any Documentation; or (f) a Trial Version. In the event of a claim, or if Acunetix believes a claim is likely, Acunetix may modify the Acunetix Solution, obtain a license for Customer, or – if none the foregoing are accomplished – terminate this Agreement. Termination of Federal contracts will be in accordance with FAR 52.212-4(l), FAR 52.212-4(m), and GSAR 552.238-79.

8.2 Reserved.

9. Limitation of Liability.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL ACUNETIX OR ITS LICENSORS BE LIABLE FOR ANY LOST PROFITS OR BUSINESS OPPORTUNITIES, LOSS OF USE, LOSS OF REVENUE, LOSS OF GOODWILL, BUSINESS INTERRUPTION, LOSS OF DATA, OR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY, OR OTHERWISE. ACUNETIX'S AND ITS LICENSORS' LIABILITY UNDER THIS AGREEMENT WILL NOT, IN ANY EVENT, REGARDLESS OF WHETHER THE CLAIM IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, EXCEED THE LICENSE FEES CUSTOMER PAID FOR THE ACUNETIX SOLUTION GIVING RISE TO THE CLAIM. THE FOREGOING LIMITATIONS WILL APPLY REGARDLESS OF WHETHER ACUNETIX OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE. CUSTOMER MAY NOT BRING A CLAIM UNDER THIS AGREEMENT MORE THAN SIX (6) YEARS AFTER THE CAUSE OF ACTION ARISES. THIS CLAUSE SHALL NOT IMPAIR THE U.S. GOVERNMENT'S RIGHT TO RECOVER FOR FRAUD OR CRIMES ARISING OUT OF OR RELATED TO THIS CONTRACT UNDER ANY FEDERAL FRAUD STATUTE, INCLUDING THE FALSE CLAIMS ACT, 31 U.S.C. 3729-3733. FURTHERMORE, THIS CLAUSE SHALL NOT IMPAIR NOR PREJUDICE THE U.S. GOVERNMENT'S RIGHT TO EXPRESS REMEDIES PROVIDED IN THE GSA SCHEDULE CONTRACT (E.G., CLAUSE 552.238-75 – PRICE REDUCTIONS, CLAUSE 52.212-4(H) – PATENT INDEMNIFICATION, AND GSAR 552.215-72 – PRICE ADJUSTMENT – FAILURE TO PROVIDE ACCURATE INFORMATION).

10. Confidentiality.

"Confidential Information" means any proprietary information disclosed by one party ("**Discloser**") and received by the other party ("**Recipient**") during, or prior to entering into, this Agreement that Recipient should know is

confidential or proprietary based on the circumstances surrounding the disclosure. Confidential Information includes the Acunetix Solution and any non-public technical and business information. Confidential Information does not include information that (i) is or becomes generally known to the public through no fault of or breach of this Agreement by Recipient; (ii) is rightfully known by Recipient at the time of disclosure without an obligation of confidentiality; (iii) is independently developed by Recipient without use of Discloser's Confidential Information; or (iv) Recipient rightfully obtains from a third party without restriction on use or disclosure. Recipient will maintain the confidentiality of Confidential Information, and Recipient agrees not to use such Confidential Information for any purpose except as necessary to fulfill its obligations and exercise its rights under this Agreement. Recipient will protect the secrecy of and prevent disclosure and unauthorized use of Discloser's Confidential Information using the same degree of care that it takes to protect its own confidential information and will in no event use less than reasonable care. Recipient may disclose Discloser's Confidential Information if required by judicial or administrative process, provided that Recipient first provides Discloser with prompt notice of such required disclosure to enable the Discloser to seek a protective order. Acunetix recognizes that Federal agencies are subject to the Freedom of Information Act, 5 U.S.C. 552, which may require that certain information be released, despite being characterized as "confidential" by the vendor. Upon termination or expiration of this Agreement and Discloser's request, Recipient will promptly return or destroy (and provide written certification of such destruction) Discloser's Confidential Information.

11. Publicity.

Customer may not issue any press release or publicity regarding the Agreement, use the Acunetix name or logo or other identifying indicia, or publicly disclose that it is using the Acunetix Solution without Acunetix's prior written consent.

12. Government Licenses.

For purposes of sales to government entities in the United States, the Acunetix Solution and the accompanying Documentation are deemed to be "commercial computer software" and "commercial computer software documentation", respectively, pursuant to FAR Section 12.212(b), as applicable. Any use, modification, reproduction, release, performing, displaying, or disclosure of the Acunetix Solution or the accompanying Documentation by or for the U.S. Government will be governed solely by the terms and conditions of the Agreement, in conjunction with statutes, regulations, and the terms of the GSA Schedule.

13. Export Compliance.

Customer acknowledges that the laws and regulations of the United States of America and foreign jurisdictions may restrict the export and re-export of certain commodities and technical data of United States of America origin, including the Acunetix Solution. Customer agrees that it will not export or re-export the Acunetix Solution without the appropriate United States or foreign government licenses or permits.

14. Miscellaneous.

The parties may not assign or otherwise transfer this Agreement or any of its rights or obligations hereunder to a third party without the written consent of the other party, except that Customer may, without such consent, assign or transfer this Agreement, in whole, pursuant to a transfer of all or substantially all of Customer's business and assets, whether by merger, sale of assets, sale of stock, or otherwise. Any attempted assignment or transfer of this Agreement by Customer in contravention of the foregoing will be null and void. The Anti-Assignment Act, 41 USC 6305, prohibits the assignment of Government contracts without the Government's prior approval. Procedures for securing such approval are set forth in FAR 42.1204. The provisions hereof are for the benefit of the parties only and not for any other person or entity. Any notice, report, approval, authorization, agreement, or consent required or permitted hereunder will be in writing; notices will be sent to the address that the applicable party has or may provide by written notice or, if there is no such address, the most recent address the party giving notice can locate using reasonable efforts. No failure or delay in exercising any right hereunder will operate as a waiver thereof, nor

will any partial exercise of any right or power hereunder preclude further exercise. If any provision will be adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this arrangement will otherwise remain in full force and effect and enforceable. This Agreement will be deemed to have been made in, and will be construed pursuant to, the Federal laws of the United States without regard to conflicts of laws provisions thereof, and without regard to the United Nations Convention on the International Sale of Goods or the Uniform Computer Information Transactions Act. To the extent this Agreement conflicts with the terms of the Schedule contract, the terms of the Schedule contract will prevail. Order of precedence will be determined consistent with FAR 52.212-4(s).

3.2.3 Information from Third Parties. In some instances, we process personal information from third parties which may consist of data from our partners such as transactional data from providers of payment services or information from our lead generation partners.

3.3 Analytics/Aggregated Information. With the Device and Usage Information collected by our third-party analytics services, such as Google Analytics or Pendo, we generate and process aggregated information, such as statistical or demographic data. Aggregated Information may be derived from personal data, but it is not considered personal data if it does not directly or indirectly reveal your identity. For example, we may track the total number of visitors to our Platform or the number of visitors to each part of our Platform, and we may aggregate usage data to calculate the percentage of users accessing a specific feature of the Platform and analyze this data for trends and statistics.

However, if we or our third-party analytics service providers combine or connect aggregated information with your personal data so that it can directly or indirectly identify you, we treat the combined data as personal data which will be processed in accordance with this Privacy Policy. Please visit our [Cookie Policy](#) for more information on analytics, and please note that you may opt-out of certain data collection practices covered in this Section by contacting privacy@acunetix.com.

4. Why We Collect Your Personal Information and How We Use It. Our mission is to provide a safe, efficient, and high-quality Platform, and we – or our authorized third-party service providers who assist us in providing the Platform – process your personal information for this purpose. Specifically, personal information is processed in order to:

- Provide you with access to and the ability to use the Platform;
- Process and complete transactions and send you related information, including purchase confirmations and invoices;
- Respond to your queries and requests or otherwise communicate directly with you;
- Improve the content and general administration of the Platform and enhance user experience;
- Provide customer support;
- Detect fraud, illegal activities, or security breaches;
- Provide you with notices regarding purchases or other important information;
- Ensure compliance with applicable laws;
- Perform system maintenance and upgrades and enable new features;
- Conduct statistical analyses and analytics;
- Increase the number of customers who use our Platform through advertising and marketing;
- To send you marketing communications if you have opted in to receive them (depending on your location); and
- Provide information to regulatory bodies when legally required and only as outlined in this Privacy Policy.

5. Managing Your Preferences. If your personal data changes, or if you no longer desire to use our Services, you may delete your account or contact us at privacy@acunetix.com. We will respond to your request within a reasonable timeframe.

6. Disclosure of Your Personal Information. We only disclose your personal information as described below.

6.1 Third-Party Service Providers. Acunetix discloses users' information to our third-party agents, contractors, or service providers who are hired to perform services on our behalf. These companies do things to help us provide the Platform and – in some cases – collect information directly. Below is an illustrative list of functions for which we may use third-party service providers:

- Hosting and content delivery network services;
- Analytics services;
- CRM providers;
- Lead generation partners;
- Marketing and social media partners;
- Customer support services;
- Payment processors;
- Functionality and debugging services; and
- Professional service providers, such as auditors, lawyers, consultants, accountants, and insurers.

6.2 **Business Transfers.** As we continue to grow, we may purchase websites, applications, subsidiaries, and other businesses or business units. Alternatively, we may sell businesses or business units, merge with other entities, and/or sell assets or stock, in some cases as part of a reorganization or liquidation in bankruptcy. As part of these transactions, we may transfer your personal information to a successor entity upon a merger, consolidation, or other corporate reorganization in which Acunetix participates, or to a purchaser or acquirer of all or a portion of Acunetix's assets, bankruptcy included. This License Agreement may be transferred or assigned only in accordance with the procedures of FAR Part 42.12.

6.3 **Anonymized Information.** We share aggregated, automatically-collected, or otherwise non-personal information with third parties for various purposes, including: (i) compliance with reporting obligations; (ii) for business or marketing purposes; (iii) to assist us and other parties in understanding our users' interests, habits, and usage patterns for certain programs, content, services, marketing, and/or functionality available through the Platform. We do not share personal information about you in these cases.

6.4 **Legal Obligations and Security.** In addition, Acunetix will preserve or disclose your personal information in limited circumstances (other than as set forth in this Privacy Policy), including: (i) with your consent; (ii) when we have a good faith belief it is required by law, such as pursuant to a subpoena, warrant, or other judicial or administrative order (as further explained below); (iii) to protect the safety of any person, to protect the safety or security of our Platform or to prevent spam, abuse, or to protect against any other malicious activity of actors with respect to the Platform; or (iv) to protect our rights or property or the rights or property of those who use the Platform.

If we are required to disclose personal information by law, such as pursuant to a subpoena, warrant, or other judicial or administrative order, our policy is to respond to requests that are properly issued by law enforcement within the United States or via mutual legal assistance mechanism (such as a treaty). Under such circumstances, we may at our discretion attempt to provide you with prior notice that a request for your information has been made in order to give you an opportunity to object to the disclosure. However, government requests may include a court-granted non-disclosure order which prohibits us from giving notice to the affected individual.

Note that if we receive information that provides us with a good faith belief that there is an exigent emergency involving the danger of death or serious physical injury to a person then we may provide information to law enforcement trying to prevent or mitigate the danger as determined on a case-by-case basis.

7. Payment Processing. We do not directly collect your payment information, and we do not store your payment information. We use third-party, PCI-compliant payment processors that collect payment information on our behalf in order to complete transactions. While our administrators are able to view and track actual transactions via customer portals, we do not have access to or process your credit card information.

8. Retention Period.

8.1 **General.** We use the following criteria to determine our retention periods: the amount, nature, and sensitivity of your information; the reasons for which we collect and process your personal data; the length of time we have an ongoing relationship with you and provide you with access to our Services; and applicable legal requirements. We will retain personal information we collect from you where we have an ongoing legitimate business need to do so

(for example, to comply with applicable legal, tax, or accounting requirements). Additionally, we cannot delete information when it is needed for the establishment, exercise, or defense of legal claims (also known as a “litigation hold”). In this case, the information must be retained as long as needed for exercising respective potential legal claims.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize it or – if this is not possible (for example, because your personal information has been stored in backup archives) – we will securely store your personal information and isolate it from any further processing until deletion is possible.

If you have questions about, or need further information concerning, our data retention periods, please send an email to privacy@acunetix.com.

8.2 Time Frame of Deletion. If personal data can no longer be retained or is no longer necessary, it will be erased or anonymized in the time frame required by applicable law.

8.3 Anonymization. In some instances, we may choose to anonymize your personal data instead of deleting it, for statistical use, for instance. When we choose to anonymize your personal data, we make sure that there is no way that the personal data can be linked back to you or any specific user.

9. Protecting Your Personal Data. No method of transmission over the Internet, or method of electronic storage, is 100% secure. However, we take steps that are reasonably necessary to securely provide our Platform. We have put in place reasonably appropriate security measures designed to prevent your personal data from being accidentally lost, used, or accessed in an unauthorized way, altered, or disclosed. We limit access to personal data only to those employees, agents, contractors, and third parties who have a business need-to-know.

We also have procedures in place to deal with any suspected data security breach. If required, we will notify you and any applicable regulator of a suspected data security breach. We also require those parties to whom we transfer your personal information to provide acceptable standards of security.

10. International Transfers. We have locations outside of the EU, and the personal information that we collect may be stored on servers located in the United States or in any other country in which Acunetix, its affiliates, partners, service providers, or agents maintain facilities. This means that your personal information may be collected, processed, and stored in such locations which may have data protection laws that are different from (and sometimes less protective than) the laws of your country or region, such as the General Data Protection Regulation (“GDPR”).

By sending us personal information, you agree and consent to the processing of your personal information outside of the EU in locations such as the United States which may not offer an equivalent level of protection to that required in other countries (particularly the EU) and to the processing of that information by us on servers located outside of the EU, as described in this Privacy Policy.

We have implemented safeguards designed to ensure that the personal information we process remains protected in accordance with this Privacy Policy including when processed internationally or by our third-party service providers and partners. The safeguards we may take in our discretion include, for instance, entering into binding agreements in connection with any onward transfers of personal information. We may implement other mechanisms and take similar appropriate safeguards with our third-party service providers and partners. Further details can be provided upon request.

12. How To Contact Us About Privacy. If you have any questions regarding this Privacy Policy, please contact Acunetix at privacy@acunetix.com or at the address below:

13. Additional Information for Users in California. Acunetix provides the Platform to other businesses, and in doing so we may collect and process personal data on behalf of our business customers, including personal data about California residents. In doing so, Acunetix is a service provider under the CCPA. As a service provider, we will collect and process personal data on behalf of a customer to provide the Platform for which that customer has engaged us, in accordance with our contract with such customer. If you'd like to exercise your rights under the CCPA with respect to your personal data we hold as a service provider for a customer, you should contact that customer directly.

If you have a question or would like to submit a request related to the personal data we collect related to our business-to-business relationship with you or your company, please contact Acunetix at privacy@acunetix.com.

14. Additional Information for Users in the European Economic Area. This Section applies to individuals located in the EEA.

14.1 Categories of Recipients of Personal Data. The categories of recipients of personal data with whom we may share your personal data are listed in the "Disclosure of Your Personal Information" section above.

14.2 Legal Bases and Purposes of Processing. Acunetix uses your personal information for a number of different purposes as described in this Privacy Policy. Some uses are essential for us to provide the Platform or to fulfill our legal obligations, some uses help us run the Platform efficiently and effectively, and some uses enable us to improve our Platform with more relevant and personalized offers and information. In all cases, under GDPR, we must have a reason and a legal ground for processing your personal information. Some of the most common legal grounds we rely on are briefly explained below.

14.2.1 Performance of a Contract. We may process your personal data for the purposes of a contract to which you are a party. For instance, if you want to use our Platform, we need to process your account registration information, location information, and payment information in order to enable you to do so.

14.2.2 Legitimate Interests. We may process personal data where it is necessary for our legitimate business interests, but only to the extent that they are not outweighed by your own interests or fundamental rights and freedoms. We generally rely on legitimate interests to: provide and maintain a Platform that works well and securely; comply with applicable laws; carry out fraud prevention; and generally improve the Platform. When we rely on this legal basis, we'll carry out a legitimate interest assessment to ensure we consider and balance any potential impact on you (both positive and negative) and your rights under applicable data protection laws.

14.2.3 Consent. Acunetix may rely on consent where it is required, such as with respect to certain information collected via cookies and similar technologies (other than strictly necessary cookies) or when we're asking you to confirm your marketing preferences. When we rely on consent, you'll be asked to confirm that you give your permission to Acunetix to process your personal information. You have the right to withdraw your consent at any time if you no longer wish to have Acunetix process your personal data.

14.2.4 Legal Obligation. Acunetix will on occasion be under a legal obligation to obtain and disclose your personal data. Where possible, we will notify you when processing your data due to a legal obligation, but this may not always be possible. For instance, Acunetix may need to provide your data in order to prevent criminal activity or to help to detect criminal activity, in which case we may share information with law enforcement without providing notice to you. This is done in a safe and secure manner. It's essential that Acunetix complies with its legal, regulatory, and contractual requirements, so if you object to this processing then Acunetix will not be able to provide its Platform to you.

14.3 Your Rights and Choices Under GDPR. **If the GDPR applies to you because you are in the EEA**, you have the following rights in relation to your personal data:

- The right to be informed – our obligation to inform you that we process your personal data (and that’s what we’re doing in this Privacy Policy);
- The right of access – your right to request a copy of the personal data we hold about you (also known as a ‘data subject access request’);
- The right to rectification – your right to request that we correct personal data about you if it is incomplete or inaccurate (though we generally recommend first making any changes in your Account Settings);
- The right to erasure (also known as the ‘right to be forgotten’) – under certain circumstances, you may ask us to delete the personal data we have about you (unless it remains necessary for us to continue processing your personal data for a legitimate business need or to comply with a legal obligation as permitted under the GDPR, in which case we will inform you);
- The right to restrict processing – your right, under certain circumstances, to ask us to suspend our processing of your personal data;
- The right to data portability – your right to ask us for a copy of your personal data in a common format (for example, a .csv file);
- The right to object – your right to object to us processing your personal data (for example, if you object to us processing your data for direct marketing); and
- Rights in relation to automated decision-making and profiling – our obligation to be transparent about any profiling we do, or any automated decision-making.

These rights are subject to certain rules around when you can exercise them. If you are located in the EEA and wish to exercise any of the rights set out above, please contact us at privacy@acunetix.com or at the addresses provided below.

You will not have to pay a fee to access your personal data (or to exercise any of the other rights) unless your request is clearly unfounded, repetitive, or excessive. Alternatively, we may refuse to comply with your request under those circumstances.

We may need to request specific information from you to help us confirm your identity. This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it.

If we cannot reasonably verify your identity, we will not be able to comply with your request(s).

We will respond to all legitimate requests within one month. Occasionally, it may take us longer than a month if your request is particularly complex or if you have made a number of requests. In this case, we will notify you and keep you updated as required by law.

In addition, if you no longer wish to receive our marketing/promotional information, we remind you that you may withdraw your consent to direct marketing at any time directly from the unsubscribe link included in each electronic marketing message we send to you. If you do so, we will promptly update our databases, and will take all reasonable steps to meet your request at the earliest possible opportunity, but we may continue to contact you to the extent necessary for the purposes of providing our Platform.

Finally, you have the right to make a complaint at any time to the supervisory authority for data protection issues in your country of residence. We would, however, appreciate the chance to address your concerns before you approach the supervisory authority, so please contact us directly first.
